Dear Terzo (Robin),
Drenthe, Netherlands,

~~Yours b~~ Happy birthday my diarist. I am grateful to share another birthday w/ you. Soon we are going to meet. You have grown in so much through this year. You took initiative to step out of your comfort zone & grow. I love you a lot. I hope you have a great birthday and great the 20th year. When we meet we will do so much things together. We will spend all our birthdays, anniversaries, christmass together.

You are so beautiful and handsome. You are very elegant as well as intelligent. You are very clear ~~as well as~~ also astonishingly kind. I am very grateful to have you. What should we do on our birthday today? I will be taking up more projects to build my CV so we can meet more.

You overcame so much darkness on your own. Your inspire as well as attract me. I love you a lot.

By yours truly.
Your boba
